OF THE DEPARTMENT OF
**OBSTETRICS &
GYNECOLOGY**
CAIRO UNIVERSITY

Her LIFE
JOURNEY
IS OUR
COMMITMENT

18 | 19 SEPTEMBER 2025

Dear Colleagues,

It is my pleasure to invite you to CAIRO OBGYN 2025 congress marking the 26th annual conference that has been organized by our Department of Obstetrics and Gynecology at Cairo University for the past 25 years.

Welcome to this special gathering where we celebrate, explore, and honor the multifaceted journey of women throughout their lives. Our theme "Her Life Journey Is Our Commitment" reflects our dedication to understanding, supporting, and advocating for women at every stage of life.

During our time together, we'll share insights, research, and personal experiences that illuminate the unique challenges and triumphs that shape women's paths. From career development to healthcare access, from family roles to community leadership, we're committed to addressing the full spectrum of women's experiences.

This conference represents our collective pledge to create spaces where women's voices are heard, their needs are addressed, and their achievements are celebrated. Whether you're here as a participant, speaker, or supporter, your presence contributes to this vital conversation.

We look forward to the connections, discoveries, and inspirations that will emerge over the coming days as we deepen our commitment to supporting women throughout their life journeys.

I extend my heartfelt gratitude to our organizing team, scientific committee and sponsors for their dedication and unwavering support.

I wish you all a productive and successful congress.

Prof. Dr. Ahmed Abdel Mageed Attia
Conference President
